### What is Measured in Each Performance Area?

#### Doctors' Communication

- Doctors explain things well to members
- Doctors involve members in decisions about their care

#### Getting Care

- Members get the care they need, when they need it

#### Keeping Kids Healthy

- Children get regular checkups and important shots that help protect them against serious illness

#### Living With Illness

- Members with asthma, diabetes, high blood pressure, and depression get the care they need by getting tests, checkups, and the right medicine

#### Taking Care of Women

- Women get tests for breast and cervical cancer to help find these diseases early
- Moms get care before and after their baby is born to help keep mom and baby healthy

## Choosing a Medicaid Managed Care Organization

Your health care is important, and choosing the MCO that best meets your needs is also important. Here are some questions to ask yourself before you pick an MCO:

- How well did each MCO perform in each performance area in this tool?
- Which MCO has all or most of the doctors, providers, and hospitals that my family and I visit?
- Which MCO has doctors with office hours and locations that are convenient for my family and me?
- Which MCO offers extra services that I want to use?

You may have other questions or concerns that are important to you. You can contact the MCOs using the information below. They can tell you which doctors are available to you and what extra services they offer. You can also call the **Medicaid Managed Care HelpLine** at 1-800-643-2273. HelpLine staff can answer your questions and help you decide which MCO is best for you and your family.

### About This Tool

The 2016 Virginia MCO Consumer Decision Support Tool utilizes results from HEDIS and CAHPS. Calendar year 2015 data were used to derive 2016 reporting year rates. This report was compiled by Health Services Advisory Group, Inc. (HSAG) in collaboration with the Department of Medical Assistance Services (DMAS).

### About the Accreditation Levels

Accreditation levels as of November 2016 are based on compliance with the National Committee for Quality Assurance's (NCQA's) rigorous requirements and the MCOs performance on Healthcare Effectiveness Data and Information Set (HEDIS®) and Consumer Assessment of Healthcare Providers and Systems (CAHPS®) measures. The highest level of accreditation an MCO can receive is Excellent, followed by Commendable, and then Accredited.
